

Meet Kirchner, Léger and Scully...

After its exceptionally successful exhibition premiere, the Hilti Art Foundation is proud to present the next instalment, titled "Kirchner, Léger, Scully & more". From 16 December 2016 through 7 October 2018, the Foundation is showing 36 selected paintings and sculptures from its internationally renowned private art collection. Major works of classic modernism, including artworks by Paul Gauguin, Pablo Picasso, Ernst Ludwig Kirchner, Max Beckmann and Paul Klee are displayed in the new gallery building in Vaduz, which is an extension of Kunstmuseum Liechtenstein. Contemporary art is also represented, with works by Imi Knoebel, Gotthard Graubner and Sean Scully amongst others.
