**Kienzle Collection**

**27 October 2017 – 11 February 2018**

Kunstmuseum Liechtenstein has been cooperating with the Berlin-based Jochen Kienzle Collection for many years. In 2016, this cooperation saw a special addition, with an extensive set of works of European and American artists going to Kunstmuseum Liechtenstein on permanent loan. A selection of these works goes on show in the exhibition "Kienzle Collection" at the end of October.

For the first time, the exhibition presents the Collection of Jochen Kienzle in its special themed structure that covers a broad field including painterly and conceptual positions. Starting with Franz Erhard Walther, who features with works from all creative periods, the show includes paintings of Jonathan Lasker, Jack Goldstein, David Reed, Gary Stephan or Klaus Merkel along with more conceptual works by Anna Oppermann, Ketty La Rocca, Emilio Prini, Ferdinand Kriwet or Louise Fishman.
